Confessions of a So-Called Middle Child
Watch Out, Hollywood! More Confessions of a So-Called Middle Child
By Maria T. Lennon

CHARLIE C. COOPER is a middle child. Her older sister Penelope is an overachieving crusader for social justice. Her younger brother Felix is disgustingly adorable and sweet. And Charlie? Charlie is a misunderstood and overlooked computer hacking genius, fashion trailblazer, and popular-girl wannabe who just did one teeny, tiny bad thing. Ok, maybe not so teeny tiny. It was bad enough to get expelled for. Bad enough to have to move for, and even bad enough to be sent to a shrink for. But now Charlie is reformed! She’s no longer a bully! She’s thinking of others before herself! She’s befriended the most unpopular girl in her new middle school! (Ok, so maybe that last one was an assignment from her therapist.)

Readers will love Charlie’s “confessions.” Her voice is fresh and funny and she’s so realistically flawed. Like all pre-teens, she struggles with doing the right thing when it might cost her popularity. One thing is for sure—with Charlie around, middle school is never boring!

“A fast-moving story with a satirical edge.” —Publishers Weekly

Praise for Watch Out, Hollywood! More Confessions of a So-Called Middle Child

“The novel’s strength is its ability to perfectly capture the particular brand of anxieties that accompany the middle school years and concerns about friends, relationships, and the balance between wanting to do the right thing and to be liked.” —School Library Journal

“Charlie’s razor-sharp humor is back, as are her often self-centered motives. This time she learns she has to give up what she wants in order to help others; in fact, it’s a crucial part of friendship.” —Booklist

Smaller Moments

When Charlie is at her lowest in *Watch Out, Hollywood! More Confessions of a So-Called Middle Child*, her friend, Jai, offers her some words of wisdom:

“Life must be measured in smaller moments, Charlie, to achieve satisfaction. It’s not *being* the Hollywood star, it’s *becoming* the Hollywood star. It’s what you do along the way. That is what your life is.”

Charlie’s path to fame is not without obstacles. Draw a curvy line between the START and FINISH points below. Mark the path at intervals and write a brief phrase to next to each mark detailing the key events or “smaller moments”—both good and bad—that occurred as Charlie pursued a starring role on *Off the Beam*.
